### **\*\*Increased Offertory Program:** Dear Parish Community—

We are halfway through the Enrich Your Faith, Strengthen Our Church Program. Our parish has so much to offer to those in the community. As I think about our parish mission: *Through faith and worship, we are a Catholic community experiencing the love of God and called to be stewards to enlighten the lives of all*, I know that it begins with God reaching out to us in love then us responding to his gift. We experience God’s love through the administration of the sacraments, the celebration of Mass, and especially the Holy Eucharist. We answer the call to be stewards through the many ministries we have in the parish. Moreover, we help bring the community together at Family Fun Night, Duck Races, and providing a place for both young and old to learn. How blessed we are to be able to serve so many in our parish and community!

Some of you have already submitted your Offertory Commitment Card to the church committing your financial support to continue to advance our parish mission. Some of you have also submitted your Ministry Commitment Card illustrating how you are or the desire of living the call to be a steward. Thank you! Many of you have not yet submitted either commitment card. Our goal through this initiative is 100% participation from our parish community. Please turn in your Commitment Cards this week if you have not already done so. Pray for our parish and become involved in the life of our parish by joining a ministry to help serve those in need. St. Boniface Church is a wonderful parish because of YOU and what each one of you make of it!

I thank you for your generosity and am humbled by your sacrifice. Please feel free to contact me with any questions you may have.

May the Lord continue to bless us and the work we are doing! — — Fr. Weeder
